“ Wow I just thought let me call Dale, his number was out of order we had not spoken in a few years. So I look him up on the net and he has gone on to glory RIP my dear sweet friend, I'll miss that laugh. We met while Dale was working @ studio 54 as an under cover cop.

“ Me and Dale were in junior high together,( Halsey Junior High) chasing girls, trying to be cool and just doing what young men used to do...just have fun. I remember Dale being very outgoing and popular. Even as a young man, I always thought he had great courage. We were both monitors on the lunch squad and dale was even the student president. We were always into something, and I was always trying to keep up with Dale. I had great admiration for him. The time we had was one of the best periods in my life...I'll never forget it. Me and Dale lost contact many years ago. It saddens me that I waited to long to try to contact him.....I'll miss my friend.....Gil Gadson

“ Dale and my self use to work together as Auxiliary police officers at the 73 pct back from 1979 to 1982. He was a great guy and very excited that he was on a verge of becoming a regular police officer. Its too bad that we went our seperate ways after 82 adn I moved to california to pursue a career in law enforcement for the LA county sheriffs dept. Life is short and time goes by fast so enjoy everyone you come in contact with.

“ Dale and I went to elementary, and JH together. We went our separate ways and didn't see or hear from each other for 30 years. One day I would guess in 2004 I get an email from classmates.com from Dale. He asked me if i was the same Michael Giamb Bruno he went to elementary school with. I couldnt wait to get my email back to him. We talked on the phone and made immediate plans to have lunch together. We met in Greenpoint Brooklyn in a very nice restaurant he used to go to when he was a Police Officer (when we met he was already retired for a year or so) After a very nice lunch we decided to drive all the way back to our old elementary scool P.S. 86 and we stood there and talked for 2-3 hours! As we were talking many active Police officers stopped to say hello to Dale. I felt like I was standing there with the mayor! Dale emailed another girl we knew from school Roxanne and she knew many of our 3rd grade classmates and the teacher Mrs. Palmeri from 1966. Til today we still call each other and see each other on occasion and we all have Dale to thank for that. I will always be grateful to Dale for this and he will be greatly missed.
