“ Hey baby. Missing you like crazy. I just wanted to tell you I love u and Kyrie is amazing. Just like his momma. He smiles and laughs a lot like u and he lights up my world. Like u. Sumtimes I think about u and I feel like I'm dreaming and your going to come around that corner. Wit all ur bags and coat. I miss holding and smelling you. I miss confiding in you. I felt like I could handle anything with u and now I get overwhelmed sumtimes and I feel like I need you. Well I do. But at that moment i get that ache in my heart cuz I can't hit u up. I tried to like a fool a month and a half back. Cuz I Cudnt except it. I really just came on this to tell you hi and I love you and so does Kyrie. Things are turning for the better. Still scrambling and always on the move tho. Feel like there's not enough time in the day. I just dropped mom from seeing Kman. She was so excited. He makes her so happy. I love to see the smiles they give each other. I lay in bed thinkin about all the nites I was next to uu just thinkin bout life how it will be in the future. How we're Going to grow and how it's goin to look and how can we improve. I never thought shit WAs Gonna be like this. I wish I wudve juss been holding u like u always want me to. Instead of thinking so much. This still hurts and it will forever u was the only one who fully understood me. I miss that bond more than anything and just the love u gave me. Made me feel special. I miss u so much. I can't say it enough. I miss making u smile and even getttin u mad. Cuz I loved that angry face idk why. U were just the best. Smfh. And I kno seeing ya brother Kobe up there Wit his daughter hurt. But at least u cud tell him about all the lies u used to tell me about u and him. I miss laughing wit ya lame ass to. U matched my imagination/lameness I will never find anyone like u and I grateful that I at least got to spend pretty much 7 years of my life wit a living angel. Thank u for all that you've done for me. I owe u and Kyrie all of me. Love u baby. Forever and ever. Thank u. I ain't gonna ever stop thinkin about u. And I remember our convos on how u wanted it to be For Kyrie and wat u wanted me to do for him (like reading to him lol) I haven't. I tried once but ima try more. Miss u sexy. €G4L□

I know you watching us and ur gonna make sure we're good. Kman is growing strong. I wish u could hold him And kiss him. And see that perfect smile from staring in his eyes.. He is so perfect. Thank you for him. He looks like me more I think lol. But he still has your beautiful big doe eyes. He's truly a blessing and I wish u cudve been apart of this experience it really hurts that ur not. But I kno that hurts you too. I'm going to my best. In raising him to be a gentleman. Just like u ask. I got a lot of help tho. You mad sure he had wat he needed and plus your family has done so much as far making sure we're good. So I know we're gonna be good. Miss you like crazy tho. And I think about u everyday. Everything I do now I think ur up there coaching me thru it. I love you so much from here to the stars. And I'm sorry I didn't do enough and appreciate you enough while I shudve I'm sorry... I feel like I didn't do enough. I ain't expect to be so expressive/personal on dis but ion even care. Help me be everything you need me to be. For him. Thank you for letting me experience TRUE love and giving me the biggest blessing ever. You will always be a piece of me. You help make me who I am, taught me a lot. So thank you. “ Hey Era got to stop in to say hey, Its Jo 9th month since she been gone and I wanted to talk to her. I miss you Era, Kyrie is getting so big, I know you know that because you are watching over him, I cry Era when I take care of him, feeling guilty because I am able to and you were only given 2 weeks and 4 days with him. I hope we can raise exactly how you would want us too. I love you. I told Jo to give you a kiss and hug for me and you do the same to her.

Tarsha Sewell - January 07 at 09:27 AM

“ This is Tarsha

Today is one month since you went home to be with the Lord. Ericka I know you wasn't ready, but God had better plans for you. Its hard these days, seeing your beautiful son everyday and caring for him is bitter sweet. I feel guilty that I am able to assist raising him and you weren't given the chance. The 2 weeks and 4 days you had with him, you taught him a lot. He loves to snuggle under the neck, which I watched you do with him. He acts just like you, he get it from his momma. Kyrie will know his mom!!! I Love you Era and I Miss you. Give Jo many hugs and kisses for me, I hope I am making both of you proud,

“ Ericka "Era" as I called you, I miss your bubbly smile and personality. You was always happy, beautiful and lived life. Looking at your pictures you truly enjoyed life. Your son Kyrie is growing so fast, he is 6 weeks today. Era I love you and will take care of your son like you asked me the day you gave birth. We didn't know this would happen, but I guess somewhere someone knew. I got Kyrie like he was mines, and HE will know who his mother was. He is just like you, thank you for him, watch over him. WE Love you Era, kiss Jo for me and tell her I hope I am making her proud.

“ I have so many bitter sweet memories with Ericka. That 1st big rumble inside 370...oohwee....Just know that you will forever be in our hearts! Love you Era until we meet again.
