“ I was lucky enough to get to know Alex over a summer when I was his OT at Carman Road School. What I remember most is when he smiled he literally lit up the room. I remember his beautiful spirit and I really enjoyed working with him and getting to know him. My deepest sympathies to you and your family. I hope there is some comfort in knowing he is at peace, and you are surrounded with prayers of those who knew Alex. love, Jacky I

“ To our dear neighbors Gary and Vanessa,
Words can't express how sad we all were to hear that Alex lost his
courageous fight at such a young age. Our hearts break for you.
Know that he is being taken care of by his grandma and that he will
be remembered by all of us. I also sent a message up to Joe to
keep him smiling! We are here for you always!

“ I wrote this for you Alex:

Alex left something behind which no one can see

*He was the child that made two people into a family
So, if his leaving has upset them, I am he is sorry as can be
Please forgive his sudden departure. He was called and could not
resist.*

*I am sure he just wanted you to know that he loves you and send
you a kiss.*

We will be together, again, someday Mom and Dad.

“ Alex came into my life unexpectedly. I was invited to take care of
Alex as one of his nurses. What I thought would be a three to four
month assignment, God allowed me the opportunity to provide care
for Alex, along with his other dedicated nurses, until he was called
to rest. He taught me strength. Miss you Alex

“ *I was heartbroken to hear of Alex's passing. I have had to honor of serving Alex and his family for many years, and it was evident that Alex was loved by the right family! I know what amazing care they took of him and advocated for his every need with grace compassion and respect for his healthcare team. I know that his smiles brought them great joy. What a sweet boy he was! My sincerest condolences to the entire family from myself and everyone from Home Medical Equipment.*
