“ *I will miss Mother Alma! She was such a beautiful person with a kind as well as sweet spirit! She always had encouraging words and wisdom to share. I remember getting hugs from her after church and having conversations with her. The Rock Stone Church family is saddened by this. However, we have joy in knowing that Mother Alma is with the Lord! Sleep in peace Mother Alma! My prayers and thoughts are with the family!*

“ Deapest Sympathy to the Family, I will miss Mother Alma she was one of our Senior (Golden Mothers) at Rock Stone Church. I will miss our conversations and her prayers for the time we're living in. She was so giving and caring, and one of the biggest hearts such an inspiration to me. 🙏❤️

“ *Sister Pat was a God fearing woman whose passing is a great loss for us. Little did we know that when she went to New York a few years ago for the holidays it would be the last time we would see her.*

She was very supportive & made it a habit to always check in on me. She was a praying woman & prayed with me & for me often. I sensed her suffering in the last days but she still called to see how I was doing. I will miss her dearly but I am comforted that there will be no more pain and no more suffering. I know that God is cradling her in the Palm of His Hands. Rest In Peace Sister Pat. Sorrowfully, Audrey & Derek Stanton

“ *My deepest condolences to the Lewis family. I've known Aunt Patsy for quite some years now. I remember how serious and intimidating she was when I met her the 1st couple times...but then realize shortly after, once she gets to know you, she's one of the most kind, caring, genuine and positive person to be around. Every time we spoke, she was always very positive despite anything that she might've been going through health wise. Always thanking God for life...and the Lord certainly blessed her with good life, though some may think otherwise. I say this because not many people today live to see their 50's, let alone their 70's. He see it fit to allow her to sleep now in peace and perfect peace and not suffer in pain and agony and we can have comfort in that. Sleep In Peace Aunt Patsy, you'll be greatly missed.*

*Lord bless her with *long life*, is what I meant (though she was also blessed with good life as well 😊)*

“ I have known Cousin Patsy for as long as I've come to know myself, and describing it mildly, she was one to be beautiful in name and nature; always with a smile any child will welcome. With her being older than me, I was taught to ALWAYS respect my elders, and so she was expected to be a Defender in the street once you left your Parents' yard. That was carried out well, for sure, she defended me from Harold Turner's dogs and it was her who rescued me from the middle of a trench at 9 years old. Thank you again. Your reassuring smile is what I will always remember as you embraced a trembling girl in your arms. Thank God for street wells(pipes).
There ARE angels on earth. A GOOD ONE has taken her flight back to heaven. May your body settle in sweet repose AND may HIS peace be with your soul. SLEEP ON-Dear Cousin Patsy. Amen.

On behalf of my family and on my own behalf, I would like to extend my sincere condolences to the Lewis family on the loss of our dear Patsy. She was always quiet and well respected in our little village of Danielstown. I can remember that radiant smile that always made you feel welcome in her presence. She is no longer with us but we are assured that she is with our Lord in Paradise. May her dear soul Rest Peacefully.

On behalf of Linden and I, I extend heart felt condolences to the entire Lewis' family. Words may not suffice to express our sorrow at this time. A limb has fallen from the family trees. We will forever remember her warm smile, the laughter, the songs, the village conversations, the prayers. May cousin Pat's soul rest in eternal peace.
