

Anthony Jenkins

November 10, 1963 - November 26, 2019

Anthony Jenkins was born to Carol Jenkins and Everett Edwards in Brooklyn, New York on November 10, 1963. He departed this life suddenly on November 26, 2019.

Anthony attended William Cullen Bryant High School in Astoria, Queens earning his High School Diploma. Anthony was a perpetual basketball player. He played basketball for William Cullen Bryant High School and in the basketball tournaments all over New York City.

Anthony can be described as the greatest father of all time by his children. He created memories with his children that will last a lifetime. He didn't miss not one birthday party, graduation, baby shower or visit to see his newly born grandchildren. And, don't mess with his children or brother because you didn't want to feel his wrath. He instilled values in his children as he guided them through childhood and adulthood showing them the importance of creating memories with family. His children made him a proud dad with all of their success. His hard work paid off. He truly loved his children.

Anthony was known as a dedicated and hard worker at SUNY Downstate Medical Center in Brooklyn, New York. His position as an environmental specialist allowed him to build trusting relationships with his colleagues. Some of these relationships transcended beyond the hospital.

Anthony leaves behind to cherish his spirit and memory: His loving mother: Carol Jenkins: His beloved brother: Sterling Jenkins: His wife: Piper Jenkins: three daughters: Shannon Ferguson, Remeeka Beal and Kimberly Jenkins. His two sons: Jaron James and Rayshawn Drayton. His four grandchildren who he loved dearly: Nyasia Frasier, Janez James, Jayce Ferguson and Ziyah Brown and a host of nieces, nephews, aunts, uncles and friends.

God saw that you were getting weary
So he did what he thought was best
He came and stood beside you
And whispered "Come and Rest"
You Bade No One A Last Farewell
Not Even a Good Bye
You Were Gone Before We Knew It
And Only God Knows Why
