“ To my handsome Uncle Sam I love you beyond words. Thank you for making my childhood as memorable. We miss your stories, your jokes, and most of all, your warmth. The family gatherings aren't the same without your contagious laughter filling the room. Your absence is deeply felt by all of us, and we long for the day when we can reunite and create more precious memories together. I hold you close to my heart love you forever and ever from your favorite great grand niece Didine
