“ My dear godmother but more of a second mom. To be absent from the body is to be present with the Lord. I remember being young and really attached to Ari, I wanted to go everywhere with her. May your soul rest in eternal peace, I wish we had more time.

Arielle is a special niece in my heart. I already miss her voice, giggles, prayers, Godly spiritual , inspirations , impromptu visits (despite living 4 hrs drive apart) and even disagreements. Being the Aunty closest to her age, she was more like my little sister that I so adore. ❤️. I look forward to meeting you Arielle at the appointed time. I have resolved to believe that God Almighty knows best and lean on his instructions “ That you are not to mourn like others without hope.” 1 Thes 4:13 I an even more hopeful to His promises. Where genuine love is experienced, greater grief is expected. Sleep on Arielle. ❤️ always.
