

Mrs. Arlene G. Harris

January 15, 1948 - March 16, 2020

Although we are sad there's no need to feel sorrow. For the love that you've shared and the moments that you've left are full of joy.

Arlene Grace Harris was born on the 15th of January 1948. She was the sixth child of Wilburn and Elizabeth Harrison. She was born in Bronx, NY. She had four brothers and two sisters. She married James A. Harris. They shared two loving sons, James and David. She was a grandmother to Emma-Lee, Michele and Dallas. Emma-Lee made her a great grandmother to Jacob and Evan. She was loved deeply by her family. She would always make lasting memories that can be thought of Today, Tomorrow and Always.

The work, love and joy she put into her life should show through her loving family. She was a hardworking, responsible mother and employee. She had a career for 27 years with the United States Postal Service.

Arlene was a kind, gentle, loving, caring and a one of a kind woman. She always made rainy days sunny. Her beautiful smile would brighten up the darkest room. She leaves behind everlasting love. Although you are gone you continue to live through each one of us and for that we thank you.

“ *Aunt Arlene I will always remember what your friendship meant to my mother and how supportive you always were, it is all she ever talked about. A prime example of your true friendship was when I called myself throwing her a 50th Birthday Bash, decorated and even went the extra mile by going to Green Line Record store on Jamaica Ave to buy all of the throw back records that I knew you guys would enjoy jaming to. Now that definitely is a throw back because they don't even make vinyl records anymore. Special!!! The part that I will always remember about that day is after all that trouble you were the only one that showed up with a smile on and ready to party it did not even matter to you that no one else was there. You and my mother partied together and had a great time! I always thought that was pretty cool. Rest in peace Aunt Arlene, Love you always.*

“ I had the pleasure of meeting and knowing her and can honestly say she had a pure heart of gold. She had a smile that was infectious and such a mild manner of speaking. I remember being amazed at her recovery and how surprised I was to see her up and about. My last conversation with her was at the 1st birthday party for Dallas and I told her omg you look wonderful to her reply of I do thank you followed by that infectious smile. I know your presence will be so greatly missed buy your memory and gracious style will forever be etched in our minds but that infectious smile will light up the heavens and forever watch over all your loved ones. The heavens have gained an amazing angel and may you sleep at peace now.

“Momma” as I’d like to call her was the best mother-in-law anyone could ever ask for. She was neutral, so welcoming, caring, loving, supportive and so much more, since the first day we met. Words can’t express the love and wonderful relationship we had. She was an amazing mother, grandmother, sister, friend and overall an amazing person. I will forever hold and cherish all of the great memories we’ve shared.

“ After my mom suffered her aneurysm and made a full recovery. She made a point of preparing a cup of tea for both her and myself at 6am every Sunday, we would watch two of her favorite show that she had recorded BlueBloods and Hawaii Five O. We would talk about the shows before I got ready to watch football or get ready for my softball game, it was out special time spend together along with many others. I once asked her how did you know that I would be up seeing the cup was place at my favorite spot at the table to her reply a mother know her children. I will miss those time but will never forget them. Love you Mom.

“ I have many beautiful memories of my grandmother that I will cherish forever. One that I adore is when I was a little girl, she would always keep me close and play with my little toes. I love her always. May she sleep in peace and know she's impacted my life in a wonderful way.
