

## Barbara Perry

July 7, 1942 - August 10, 2017

Barbara Perry was the oldest of five children born to the late Henry Perry and Beatrice Nichols on July 7th, 1942 in Brooklyn, New York

As a sickly child who was born with sickle cell, she attended the New York City School System to High School and worked a couple of industrial jobs.

Barbara never married or had any of her own children, however she was the Godmother to many and the greatest Auntie of all.

Barbara loved her music and could hold a tune. She knew song lyrics as well. She was very clean person, a bit OCD, but you could eat off of her floors. She was also a sharp dresser, her clothes were put together at all times. Even her pj's were ironed and folded.

Barbara was the type of person who can make anyone laugh. She was a no non-nonsense person with a big heart.

She was preceded in death by her parents Henry Perry and Beatrice Nichols, her beloved sisters Fances Perry Richardson and Elaine Cromer and her beloved brother Steven Anderson.

She leaves to cherish her memories her niece, Felecia Germain and her sister Almetia Griffin, along with a host of nieces and nephews and great-nieces and great-nephews and her godchildren (Butter, Pookey.etc..)
