“ *My thoughts & prayers are with the Scott family during this difficult time. I got the pleasure to meet Grandma (Nana) Scott a few times and every time she was the most sweetest and very charismatic woman. She really made me feel like part of the family, saying if I ever needed anything to tell her. I will never forget that . May her beautiful soul rest in peace. And may everyone whom she came across, especially her beautiful family find comfort in these moments. My sincerest condolences to the Scott family 🌸🕊️.*

“ Dear Nana,
This is a moment I truly was not ready for . But I will forever be grateful for the time that we had together . Thank you for all the conversations we had and the love that you gave me. Unfortunately i wasn't able to say good bye and how much I loved you one last time.
My nana was the one to always keep it real with you , whether you liked it or not lol she loved hard for those who loved her . She was the epitome of style and grace , of strength and love. We cooked , we laughed , we Sang . all priceless moments I would never forget .
NANA you will forever be in my heart this is not a goodbye but a until we meet again

“ I never knew how much love I had for a best friend until I met you. You were so special to me that we became inseparable. You told me one time, "Neve take life for granted because you only got one." You pushed me to believe in myself when I always gave up. You told me to speak up when I didn't have a voice. You always told me to never be afraid to love yourself when no one else would. My Scottie as I always called you, you will always be remembered as my best friend. Until we meet again, Rest in Peace.

“ My Nana, I remember when I was young she said I'm not grandma I'm NANA❤️ Too many memories I just wish I had to a chance to say I love you one last time. Her love for me was immense and she let it be known to everyone. Days I used to spend a night at her house with my cousins she would make us all breakfast, have me go to the store for her come back a full plate waiting for me. A STRONG Woman who showered everyone with LOVE. Disrespect was never tolerated with my nana, You know there's a saying .. “ Forgive but don't forget” my Nana wasn't going to forgive and she wasn't going to forget lol. She valued love and family. I'll make you Proud NANA ❤️🌹 - Your Grandson Kahlil

I wanted to take a moment to share something deeply meaningful with you.

I've been reflecting on the time I was fortunate enough to spend time with you. Meeting you has left a lasting impression on me, and I wanted to express just how much that connection meant to me.

The conversations we had and the moments we got to shared are memories I will cherish forever. I feel truly blessed to have had you in my life, even if it was for a short time.

I wanted to let you know that you are in my thoughts. You can rest now. There will always be a special place in my heart for you.
