“ Sending love, thoughts, and prayers to the entire family during this time. My deepest condolences.

Aunt Bertha I meant so many years ago when I was nothing but a little girl through her niece Renetta who is my best friend and now we both are woman with our own family. I'm just really grateful I had the opportunity of meeting her. I remember attending church services with her to having family dinners with her. I remember the conversations we had along with the advice and guidance. Aunt Bertha was always smiling and laughing. She always showed me so much kindness and love like I was part of the family. Aunt Bertha kindness and love will forever be remembered.

Love You Aunt Bertha R.I.P ❤️

“ My Sister Bertha aka Teacher, you were my babysitter, and you spoil me to death. I love you sis. To the family: Earth has no sorrow that Heaven cannot heal. Weeping may endurance for a night, but joy cometh in the morning. We are going to miss her, but I know she is in a better place. with much love.

“ My Lady. I will forever love you. And cherish our memories. I grew up going to tabernacle with you and your niece Renetta. We would always sing and pray. You would allow to sing, knowing I didn't have a voice. But that was our bond. I kept your spirits up. We kept each other laughing and we always said I love you.

We would pray. I would come back and visit and we did the same. I am grateful to God . That I had you in my life. I cherish every moment from cooking to going with you to the store everything!

Checking on the grand babies etc.

I cherish each picture. My lady Ma Bertha. I love you.

You are forever 🧡 My Lady.

As you would say that's my girl.

Your girl

What an amazing person, my Aunt Bertha! Always full of love, kindness, and joy. Aunt Bertha shared that love with so many of us. I remember each time she traveled to Alabama, I could see the glee in her eyes and the happiness she felt for being at "home" again with family. She is now at home with her Heavenly Father. She fought a good fight here on earth. There are no words for the legacy Aunt Bertha has left on our family. Her strength and resilience, as well as her shining sweet spirit will live on in our hearts. Love to all.
