“ *Mama Betty Ann will never be forgotten. She truly was a woman of strength, grace, wisdom and truth. If you didn't want the truth, she was not your person because she always kept it real. My father and Betty Ann treated each other as siblings. My mom found her to be a true friend. That made for a bond like no other and through that bond, they trusted her and her beautiful daughter, Tamika, with me. Sleepovers, Easter Bunny cakes, press and curls, birthday parties — whatever I asked for, Mama Betty Ann and her family willingly gave. Whatever I didn't ask for was given too. I am thankful to have been a recipient of the love and care of Betty Ann Whitson Bailey. I believe that God is pleased and has granted her the joys of His kingdom. Make sure you and Deac sing a duet up there - “Higher Ground” or “Last Mile of the Way” to be exact. My prayers and support go to her beloved daughter and son, Tamika and Lawrence, and the entire family.*

*Love,
Precious ❤️*

“ Betty Ann was one of the realist lady that I have meet when I was just in middle school. I have always enjoyed the knowledge and wisdom she spoke when I was around and that was just off of general conversations. A pleasure and blessing all in one for me.

“ Betty Ann has been such a positive influence in my life. She shared her love in so many ways with me and my family. Always with a helping hand and willing heart you could count on her for wisdom, prayer, scripture, laughter, food or song. The tears I shed are because I miss her but my heart will always smile at the memory of her. Love you always Betty Ann.

“ Betty Ann my dear cherished friend-sister in Christ. I am at a loss of words. I named you the Queen of cobblers. You fed my cobbler addiction . Mainly to your Peach Cobbler. Best there is,was and ever has been in my humble opinion. That angelic voice you used to sing praises that reached the heavens. You were one of the most genuine women ever. You will be greatly missed. Love you much
