

Beverley May McKie

December 7, 1946 - February 13, 2013

On December 7th, 1946 God gave us a very special woman who loved and was loved unconditionally. Beverley May McKie was the fifth of nine girls born to Marie Elizabeth Duffus and Glanville Adolphus McKie. She was born in Kingston Jamaica and there she spent her early years. Beverley along with her sisters migrated to USA in the late 60's where they joined their mother in Brooklyn New York and proceeded to live the American dream.

"Bev" or Ms. Beverley as she was affectionately called by her family and friends had the heart of a servant and dedicated her life to the service of others. She worked for many years as a home care provider. Her final job was as a cook with the Catholic Charities where, for over ten years she served that community while combining two things she loved to do.... cooking and serving. She was a giving woman. When Ms. Bev shops she brought more than three of everything. One for each of her children and extra's for anyone else who may or may not be in need.

Beverley was talented. She loved to bake, sew and shop. She would create an outfit for members of her family just hours before a function. She was quite and humble and she taught her children to care for others. Most of all she loved her children and family and worked tirelessly to provide for them.

Beverley was preceded in death by her parents and two sisters, Rose McKie

and Daphne Morrison. She is survived by her sisters, Daisy, Shirley, Twin sister Valarie, Georgia, Maureen and youngest sister Carroll; her children, Andrea, Clarence, Everton; In- Laws: Carlene Phipps and Renee McKie; grandchildren: Christopher, Jonathan, Cameron, Zack and Messiah; eighteen nieces and nephews and many grand nieces and nephews.

Beverley's earthly presence will be missed by her loved ones, but we celebrate and find peace in knowing the she is with the one who knew her before anyone and knitted her together to be the person we loved- the Lord Jesus Christ. (Psalm 139: 13)
