

Bishawn A. Turner

July 8, 1985 - November 9, 2009

Bishawn Al-Jameek Turner, also very well known as "B.I.", was born on July 8, 1985 to Denise Blake and (the late) Michael Anthony Turner (December 2003). He was born at Brookdale Medical Center.

Bishawn attended P.S. 298 and Park West High School for several years. Later on he decided to get his G.E.D.

Bishawn had a lot of work experience. His last employment was to start on last Monday with a maintenance company.

Bishawn was a very respectful person to all the people that he encountered. All that met him gave him back the same respect because he was that kind of person. His humor, kindness, humbleness, respect for others, helpfulness and the light he shined on everyone will be sadly missed by his family and many friends. All that came in contact with him loved him.

On November 9, 2009 Bishawn was tragically taken away from us in this world and joined his father Michael and his sister Naomi (January 2005).

Bishawn leaves to mourn to cherish his loving memories, his grandfather Billy Willie Turner, his mother Denise Blake; four sisters: Keyana Blake, Corine Nicole Juarbes, Tanora and Shakira Turner; two brothers: Michael Turner Jr.

and Shakur Turner. Also one niece "Woody" Kamiyah Barnes whom he just adored. A lot of aunts, uncles, cousins, and many friends who were just like blood brothers and sisters to him.
