“ *To the Jones family. Please know that I share your grief. Carl was a sweetheart. He always made me feel special whenever I saw him, whether at a party or the annual basketball event at Miller park or just hanging out in our old neighborhood. He was that guy that would surely make you laugh and make you want to dance like nobody’s watching lol. He will definitely be missed by us all. My prayer is that God will comfort you during this difficult time. RIP Silky!! With a heavy heart Wandi Felton 🥺*
