

Mr. Cyril Laltoo Singh

November 24, 1939 - February 29, 2020

Good evening, I am sorry but those are tough acts to follow. Not sure I could have done that when I was their age.

First, we would like to thank you all for making the journey from near and far and taking the time to support our family during this difficult time.

Born on November 24, 1939 in Strathspey Guyana, Cyril Laltoo Singh was the son of Skudhai and Jawal Lall Singh an indentured servant from Uttar Pradesh.

He was the last of his we believe 8 siblings and the Patriarch of the Singh Dynasty. He met Bibi Khatoon Mohammed about 60 years ago and they have been married for over 50 years. They raised 5 sons and now have 4 daughter in-laws and 6 grandchildren. The rest is a deep history filled with love and laughter!

For my brothers and I, losing our Father is one of the most difficult things we have gone through. As we stand up here today, we realize how fortunate we were to have him as our Father. There are no words to express his influence in our lives. He gave us life, nurtured us, taught us, dressed us, fought for us, held us, kissed us but most importantly he LOVED us. It is through his inspiration and example that we have learned to be the MEN we are today.

Our father was formidable man: hardworking, strong, loving, gentle and dapper. He loved his family and was deeply devoted to our mother and his sons.

Wanting to provide a better life for his family: in his early 40's he made the ultimate sacrifice leaving everything he had established in Guyana and immigrated to New York. Our father saw the value in a good education, shortly after coming to NY, he went to school at night to achieve a high school diploma. After a few odd jobs, he landed a job that took him back to his passion, bookkeeping. His devotion and sacrifices are why we are where we are in life today. We fully intend to continue his LEGACY of devotion, sacrifice, a good education and most of all the importance of Family.

Despite his diagnosis roughly 3 years ago, our dad showed strength and love right up until his last few hours. I hope that one day, when I die, my children can look back, tell stories about me, and talk about how I was devoted, sacrificed and valued family. Then, like my father, I will have led a complete life.

Whether you called him: Son, Brother, Husband, Uncle, Aja, Nana, Chacha, brother in law, saro boy, Friend, but most of all Father. Dad we will always love you and miss you with each passing day. Rest in peace, until we all meet again.
