“ Dennis was one of the most uncomplicated individuals I ever met. He had great empathy, was always kind and supportive with a great sense of humor. He could be extremely playful. I remember him jumping on his bike and leaning over the handlebars so he could yell out his favorite nickname for me, “bones!” Riding off laughing because he knew I would try to chase after him with a stick. It was all in fun. I don't believe he had a single bad bone in his body But the word that resonates the most in my memories of Dennis is Boom. I heard that word a lot! It would just appear like magic Rest in peace, cousin Dennis. I will miss your happy go lucky personality. You came into my world with a Boom and just like that you were gone, Boom!

“ Uncle Dennis likes to help. Always cleaning and keeping busy. His signature dish will be missed (“chicken lo mein”). Uncle Dennis has a sweet tooth. Loves his sports and news. He would love helping people. He is the person that would give you the clothes on his back. May he rest in peace and now is with his mom. Miss you always uncle Dennis. 🙄😞
