Deoraj was not a man of many words but his smile and opening heart said It all.

“Dad you may be gone physically but I know you are forever with us spiritually. I know whatever comes my way I will be okie because I have a guardian angel guiding me.

This is not goodbye but see you later. Thank you for the wonderful moments we spent together and teaching me everything I know, until we meet again I will forever cherish every memory. 🍀🕊️
