

Desatura Louise Newell

June 24, 1937 - February 10, 2019

Desatura Louise Newell was born on June 24th 1937 to Clinton Carvin and Myrtle Grace Beatrice Blewett in Rockford Illinois. She carried her father's last name. She was raised by her grandmother and Aunt, Carrie Dee and Inez Blewett respectively in a loving and strict home. She was the oldest of two, surviving a younger brother Clinton Carvin Jr.

Upon graduating Auburn Senior High School in Rockford, IL. at the age of 18 Desatura, known as Dee to many, moved to New York to be with her mother. It was there in New York when she met and married Arthur Lee Newell, and went on to raise daughter Inez Marcella Newell and two sons Arthur Lee Newell Jr. and Rodney Lorenzo Newell. In 1969 they divorced but remained good friends and raised their children together.

Desatura worked for the United States Post office where she had a long and distinguished career as a postal clerk for nearly 36 years. The bulk of her time there was working at the 11207 station located on the corner of Pennsylvania and Atlantic avenues in Brooklyn. Dee was well respected and admired by her co-workers and developed lifelong friendships with women like Brenda Jernigan-Hodges & Michelle Love, just to mention a few. She retired in 2001.

Desatura is survived by her three aforementioned children, eight grandchildren: Kisha Randall, Marvin Randall, Alan Randall, Tanisia Trotter,

Tiffany Mazzone, Arthur Newell III, Rodney Newell II and Malcolm Newell, eight great grandchildren: Nasean Cummins, Elizabeth Randall, Michael Randall, Sandra Randall, Nilan Tabb, Alana Randall, Xavier Newell and Milana Trotter. In addition she will be missed by her daughter-in-law Marie Newell, as well as a host of other in-laws and her lifelong friend Millie Bruce.

On February 10th 2019 at 4:55 p.m. Desatura died of natural causes in Brookdale hospital with her sons by her side. Desatura was a Christian god-fearing woman who had a heart of gold, was generous, kind and caring but didn't take no mess. She enjoyed traveling, cooking, playing cards, music (blues & R&B) and slot machines.

We believe Dee will rise again on that great Resurrection morning. Let us be faithful that we might be reunited with her in the kingdom of God.

Grandma I love you so much I am going to miss talking to you everyday you calling my job we talking crap and vulgar language on my lunch breaks , 😞 ☐☐☐❤️!!!, thank you for being the best grandmother a granddaughter could ever have thank you for akwAys being there for me mentally , spiritually , physically. I’m going to miss shopping with you . Thank you for bonding with Nasean and Nilan . It was an honor of summer 2017 to spend with the oldest generation and nilan as the youngest I never had a great grandma to bond with Nilan and Nasean will always remember that . Thank you for your wisdom grandma from your life experience . I always told you there is no book to teach a parent how to raise children I’m happy to have the opportunity that you could learn from me as well and you was open to any advise I can give as well . I’m going to miss cooking with you even though you did not like me in the kitchen 😞. I’m going to miss listening to Motown , Jazz , R&B especially you love Billy Holiday and you crying your sorrows out from your past and missing your grandma and aunt who you are with now. I had nothing but good times and wonderful memories even my coworkers loved you and my close friends . Grandma I honestly just knew you was going to get better when I saw you in the hospital the first time that day you knew I was there with the words you akwAys express to me “ you know I’m going to take care of you “ 😞😞😞 my heart is weary but I know you want me to be strong like you always said about your daughter Marcy. Grandma I have your picture and I’m burning a candle for you and everyday I will know you watching over me and your children and grands and great grands 🙏🙏🙏🙏☐😞❤️ . I know you at peace and you not feeling that emptiness or void . I have to come to grips and get myself together because when I spoke to you January 29th and I cried and told you what will I do if you go grandma ? you stAted “ you will live for your children , everyone dies Kisha when it’s my time it’s my time , you going to be fine live your life how you choose because I lived mine and your mother living hers, now stop crying and get yourself together and call me back “

That's what I shall do grandma get myself together and continue to live for me and my kids 🙏.

I love you grandma May you keep living in me and may you Rest In Peace 🙏❤️.
