Diane was united in matrimony to Joseph Allen on September 27, 1977. They were blessed with five children, three boys, and two girls. Diane provided for her family with love and support. Diane lived a humble life with her children and siblings. She loved to smile and play family games. She loved all types of music, the arts, movie trivia, watching movies, world history, and geography. She loved fashion and decorating her home. She loved her grandchildren and helped with taking care of them. Diane was employed by the City of New York as a Crew Chief before starting her Day Care Business as a licensed provider with Faith Hope & Charity in 1992-2014.

“ To my beautiful loving mom. I miss you everyday. I wish you was here, I miss the loving times we had together. I wish we had more time together. You always know what to say to make everything better. Joshua misses you so much and ask about. I will tell how growing up my mom made our life amazing and full hope. She always encouraged is to put God first and our life and to do our best. You every holiday special for me and I will never forget you and all the hard work you pit into everything. Thank you mom for everything and loving. I miss your smile and humor. Life will be the same without you. I miss you and love you so much. Until we meet again rest and peace. 💕🙏🦋☀️😊 Love always B Allen and Joshua

“ *It feels like years but it has only been about a month  
And yet that is still too long.  
I still love you the same as if you were still here with me, laughing  
during the good times and crying during the bad ones.  
I miss being able to call you any time and spend hours talking about  
everything under the sun.  
As children we were practically joined at the hip,  
But we grew up and grew apart, as most siblings do.  
We had our own set of friends and our own set of goals for our lives,  
but that still didn't change the fact that we were sisters.  
There was nothing that I wouldn't do for you and nothing that you  
wouldn't do for me.  
I always wish you were still here with me enjoying life,  
But I can understand why God would want such a beautiful angel on  
his side from now until eternity.  
Just know that I love and miss you alway my little sister Diane  
Jones-Allen  
From Cinda 💜*
