“ To Delressa, Antoine, grandkids/great grandkids, family & friends sending lots of love, condolences, much respect & so much appreciation for the life of Delores Sinclair. My name is Darryl Jordan & I have so many memories of my big sister/cousin Delores. Many years before Delressa, Antoine & the kids Delores was the like my big sister & yes I will say it, one of the many who spoiled me bigtime. Down in Portsmouth Virginia where I grew up with our grandmother Mary Hudson & much of our family we would look forward to visits from the New York City members of the family especially Aunt Stella & her daughter Delores who always came ready to sing & uplift family & friends with their gospel singing. Then some years later Aunt Stella, Delores & young Delressa was the musical act that we all loved. I can share lots of old stories but for time sake I just want to share with all of U that we come from a close family full with love, great people & memories & today I want to challenge all of us to stay in touch, love each other & try & live up to the model Delores left for us as we continue to love each other & build family among us. Rest in Peace Delores we love U so much !
