“ *I recall the many things I did with her and her son who was a very good friend. I will always cherish how she made me and all of her children's friends feel welcome, as if she were mother to all of us. She was a person with whom I shared secrets I never told my mother. I feel as if I have lost my mother for a second time.*

Mrs. Dot, I will personally miss you and the kindness that was always a part of you every time I visited. My condolences go out to all the family members especially to Kelly, and Karen. May God give you all the strength to support one another as your mom now Rests Eternally In Peace.
