“ It was beautiful for me to see someone I've known since grade school and junior high growing up with all your siblings and mine to arrive together decade's later as colleagues C76 New York City Department of Correction.

Thank you Tribble/Whiteman for the seemingly hundreds of times you picked me up and drove me to and from work when I suffered transportation hardships commuting from both islands, Coney and Rikers.

I did not know you and Whiteman married. Belated Congratulations. Bumped into your oldest son in Brownsville a few years back. He promised me he would give you my hello and happiness to you and Family.

I am so sorry to hear of your loss, to your children, Whiteman, sister Sharon, and rest of your Family my deepest and sincerest condolences.

We even did a few classes together at John Jay College. It's beautiful spirits like Ernestine that aided me earning service retirement at Rikers Island, would have suffered a lot of lateness disciplinary write ups had it not been for Ernestine helping me get to work.

I am forever grateful feeling indebted to the beautiful Goddess Empress Princess Queen Mother known as Ernestine Tribble Whiteman.

Rest in Beautiful Peace Friend,

Very sad news. Ernestine was one of the sweetest and most genuine person that I have ever met. My 11 upper buddy who always had my back. Beautiful inside and out. Rest in peace Tribble. It was an honor to have known you and worked with you. Condolences to everyone affected.
