

Elvis Nunez

November 17, 1976 - May 21, 2024

This beautiful soul came to bring light and joy to the Universe on November 17th, 1976. During his walk through this life, Elvis touched everyone who was fortunate to have met him. He was the spark that lit the room he walked into. His contagious laugh, sense of humor, love for art and fashion, and his immensely loving, caring and kind HEART, are just a few of his many attributes. Elvis was passionate about serving and helping others, he was an advocate for Human rights. His most recent professional opportunity at Ryan Health, was the perfect role for him as it made him feel fulfilled and accomplished. He would say that this was the result of "his Manifestation". Elvis is survived by: Mother- Maria Nunez; Siblings -Belkis and Hawri; Nieces and Nephew- Yasmin, Gaby, Emily, William and Isabella; Siblings in law- Yahaira Nunez and Anthony Tolver. Please join us in Celebrating Elvis' life and send him Home as he deserves. Fly high, dear Elvis!!!!!!!!!!!!!!

“ My deepest condolences to you and your family. Prayers of comfort and peace and strength during these difficult times. Elvis was definitely a memorable person and so will he be missed. He was always so welcoming, and full of so much joy and laughter and full of smiles. He was so very helpful to so many patients at the ryan nena community health center. His voice and presence always made me smile. I'll be remembering him always remind me that i had one of the most hottest dress and shoes at the Nena Xmas party. He always made sure to remind me I was a diva any chance we laid eyes on each other. He was so genuine and so very helpful with all people and patients. Elvis was loved. Definitely left some footprints behind. With love to the Family deepest condolences. Rest in Peace Elvis and may God guide you.

To the Nunez family: I am deeply sorry for your loss and know I mourn with you. Elvis and I were tight once, and I will remember him as funny, full of life, and fierce. May his soul rest in God's love and glory, and I pray for God's comfort for his mother, brother, sister, nieces, nephew, and family during these difficult times. You are in my thoughts and prayers.

Elvis was one of a kind, he always had a smile and disposition like no other, he helped everyone patients and staff at our health center.

I thank God that He gave me the opportunity to know him, I look forward to imitating the legacy he left, of his kindness, humbleness, cheerfulness and graciousness that set him apart.

Elvis loved with all his heart and put all his soul in helping everyone, He left his imprint as a professional and a co-worker, he was a true gentleman, a great human being.

To the Nunez family, I am so sorry for your loss, may the Lord give you the strength and comfort during this difficult time. May you know and again I say that Elvis was one of a kind!
