“ *My Dad, he was a real funny guy and always had jokes. When I was younger, I would go on Saturday's with him to his job (he managed a liquor store) and I would still on the stool behind the enclosed glass and he would explain to me the different types of liquors and wines. He would always be nice and kind to his customers. I remember most how much I loved him for being that way and how he shared that trait with us. I will miss you terribly mi querido viejo. Love you today and forever in my heart always, your daughter Ivette*

“ *Memory of dad. One day my brother and I got up early and started playing handball against the wall my dads bed was on the other side. Suddenly the door opens and we get the biggest whipping of our lives.* ”
