“ *Eric was the kind of person, who whenever you saw him, he had a big smile on his face and gave you a genuine personal greeting that made you feel very special! I worked with Eric and whenever I was going to the warehouse where he was, I looked for him first, before I did anything else, before I went into the office area just to get that good feeling he gave off. We always chatted about the Yankees first, the Mets and the Giants, and most of all our families and how they were. It's a great loss to all who knew Eric and a great gain for our savior Jesus Christ's Team in Heaven. Eric please keep an eye on Kenny you know how much he loves you and we all know he needs it...God bless your soul, you will always be remembered - Michael*
