But Grandpa would want us to know he's in  
a good place  
And that he watching us all with a smile on  
his face  
As we have made him so proud, as proud  
as can be  
That he has raised such a beautiful and  
special family

Thinking back now I really must say

“ Dear Aunty Zeeta, Dion, Leon, Don, Donna and Diana and each and everyone in your families,

*Our hearts are aching at the loss of Uncle Eric and the sadness you are feeling. We only spent a small amount of time compared to you with Uncle Eric and yet he has made such a huge impact on our lives so we can't even come to imagine what you are going through now. All the memories for us are happy. He had the best sense of humour, loved being silly and never took himself seriously. We will always remember him for his smile, lovely twinkle in his eyes and of course his eyelashes. He made everyone feel important. He had strong principles about being kind and generous and staying close as a family. Even though we are so far away we always felt his fatherly care over us as he filled his brother's shoes in looking over us and we feel so lucky.*

*We hope we can be as good parents as Uncle Eric and you, Aunty Zeeta who have created a family unit that cannot be broken. We feel so lucky to have you Aunty Zeeta and all of you. We will continue to be close and pray that you can bear this loss. We must try to remember the happy times and not of his suffering and eventually our hearts will begin to heal.*

*We are so sad that he had to struggle so much and we can only think of this as a relief for him. We believe Uncle Eric is at peace now and God will keep him in his memory for a time when Uncle Eric will be resurrected with all the ones we have lost in death to a better life, a life on a paradise earth with no more sickness and death; a life filled with happiness and we can all be together again.*

*Our only wish is that we could be there with you now. We will observe the funeral at the same time as you over here. Please remember that we love you all very much.*

*Our love always,*

*Glen, Shelly, Seth and Jake*
