John Scott - June 30, 2020 at 12:13 AM

“ Hey Era, You on my mind heavy.... I think back on your life and I am pleased how our relationship was.. I have no regrets or guilty feeling as if I did you wrong. I thank God that my heart has always been pure and treated people good, always making sure everyone was pleased... Era I hurt because you not here with Kyrie, I feel like you are not being respected by the people you loved and claimed to love you and its killing me. One thing you know about me I go hard for family. Please Era ask God to let it be okay, because you are at peace and I dont have to vindicate for you. I Love you always... Give Jo Kisses for me!!!

“ I miss you babe .. idk why my posts not sticking but I not a day goes by that I don't think about you. I miss so much. And I feel like everything I do/see reminds me of you,us,a plan we had or a plan I had for uu. We was still suppose to do so much. I'm sorry babe. Smh I'm sorry.

I can't stress how much I miss your touch your voice. I'm not even about to get into everything cuz it wudnt be enough space. I love you so much. It's tough... but I'm starting to accept that it will feel like this forever. I try to look at it like u was an angel with a purpose.. .. to change and impact some of our lives. And you did just that. On top of that u gave me the biggest blessing I could ever have. And I'm just blessed to have ever met you. You the second greatest Thing that ever happend to me. Well it's a tie. Cuz if I wouldVe never met you I wudve never had gotten kyrie. Could u imagine I didn't think I wud even want kids ever. But then yu stole my heart and it was all over for that. Thank u for this blessing babe. Thank u for changing me. Thank u for helping me realize some things about myself and just things I need to apply in my life. Thank u for so much. For everything. U really help make me into who I am today. And who I will be forever. U transformed the 21 yr old immature Tev into growing wanna be responsible father Tev. And I'm just so thankful. U changed my life. ...

Our baby turned 5 months today babe. 🥰🥰 it hurts that I can't share these moments with u. See ur excitement share that laughter and juss enjoy wat we brought into this world. Well you. Smfh I miss u Yoo. This shit sucks. He getting so big tho. And smart. Lol and noisey 😂. Juss like his noisey mama. He's growing fast. Holding his bottle more often. Trying to talk lol. And turning over every chance he get. He so active lol. He brightens up my world. Juss like u did. Makes me blush. Like u did. Thank u for him babe. He'll be walking and talking in no time. I can't wait. And I wish u could enjoy it wit me. And as I'm typing this and even before .. it's like every time I think about u I get a sharp pain in my heart. Den I get a chill over my body. U was the best babe. And KMAN is juss like his mama. He a prince. And I kno I gotta do watever it takes to make sure he has everything he needs and more. I will do my best in raising him how

*we discussed. I'm glad we thought so similar. U was like my twin. Smh I'm a lil better than I was. At first I thought I was goin crazy. But I'm dealin. And ya son makes its so much better. Idk wat I would do without him. He so sexy. Lol his teeth about to cum in. U cud see it in his gums. It's so cute. His smile is really a breath of fresh air. I kno u watchin us. U see all dis. Continue to watch over us. And I kno uu helpin my intuition. Thank u. Talk to god for me. Ask him to guide us and keep us safe. And help us grow. I kno u hear my prayers babe. Reiterate that to him plz. Thank u babe. I love yu and I miss yu. Ttyl..*

“*Era, ERA I am screaming. Gurl you are missed greatly. I hate having a count down of your anniversary but every 2nd of the month I have anxiety. I know you know that because it was the same with Jo anniversary. I am sitting in the kitchen with your baby boy. He sitting in his 4MOMS playing and talking. He is getting so big with his handsome self, he is your twin, You did that. I love him so much!!! I think I have to call him Lil E, but I know you want KJ to be his nickname, I will try harder to call him KJ. Even though I still call him Da-Man and a host of others. :). Watch over him Era, protect him, I know you know. Give Jo kisses for me and punch Jamal.*

*Kyrie fussing now, he demanding just like you. I will get him out and talk with you later.*

“ Hey Era,  
I didn't write on your birthday Saturday because I was an emotional wreck. I am sitting at my desk reading my bible and was told to come on your page. Era I know you are with JO and is happy and at peace and that in itself makes me happy. I am trying my herders not to attempt to make sense of this and its hard. Saturday as you know we had a dinner in your honor because we knew as a new mommy that was all you would want to do. Your mini turned 4 months on your birthday, I was sad because you looked forward to that when you had him on the 7th. Era watch over you dad, he is so heartbroken 1st from Jo and now you. I know God got our family because that's all who can help us. I Love you gurl, definitely a favorite!!!! Kyrie is a whole mood and he is your twin from looks to attitude. I promise to look after him, We all promise to look after him. Give Jo Kisses for me and know I am her 1st favorite :).

“ Hey Era, I miss your happiness, Its 3 months today and I cant understand this. I guess it is not for me to understand so I lean on God for strength. It so much I wish you was here to see with Kyrie, I know the mommy you wanted to be and the mommy you were to him in the short time and you were amazing. Era please cover your son, you know the fake and phony is all around family and friends. Your last days I am so glad you came back home, we got closer this summer and I am so glad for that. I know you were hurt on so many levels from people you wouldn't have even guessed, but now you are at peace and I want you to know as long as I am given the chance I am going to love on your son and make sure he has all that you wanted him to have. “ Hey baby. Missing you like crazy. I just wanted to tell you I love u and Kyrie is amazing. Just like his momma. He smiles and laughs a lot like u and he lights up my world. Like u. Sumtimes I think about u and I feel like I'm dreaming and your going to come around that corner. Wit all ur bags and coat. I miss holding and smelling you. I miss confiding in you. I felt like I could handle anything with u and now I get overwhelmed sumtimes and I feel like I need you. Well I do. But at that moment i get that ache in my heart cuz I can't hit u up. I tried to like a fool a month and a half back. Cuz I Cudnt except it. I really just came on this to tell you hi and I love you and so does Kyrie. Things are turning for the better. Still scrambling and always on the move tho. Feel like there's not enough time in the day. I just dropped mom from seeing Kman. She was so excited. He makes her so happy. I love to see the smiles they give each other. I lay in bed thinkin about all the nites I was next to uu just thinkin bout life how it will be in the future. How we're Going to grow and how it's goin to look and how can we improve. I never thought shit WAS Gonna be like this. I wish I wudve juss been holding u like u always want me to. Instead of thinking so much. This still hurts and it will forever u was the only one who fully understood me. I miss that bond more than anything and just the love u gave me. Made me feel special. I miss u so much. I can't say it enough. I miss making u smile and even gettin u mad. Cuz I loved that angry face idk why. U were just the best. Smfh. And I kno seeing ya brother Kobe up there Wit his daughter hurt. But at least u cud tell him about all the lies u used to tell me about u and him. I miss laughing wit ya lame ass to. U matched my imagination/lameness I will never find anyone like u and I grateful that I at least got to spend pretty much 7 years of my life wit a living angel. Thank u for all that you've done for me. I owe u and Kyrie all of me. Love u baby. Forever and ever. Thank u. I ain't gonna ever stop thinkin about u. And I remember our convos on how u wanted it to be For Kyrie and wat u wanted me to do for him (like reading to him lol ) I haven't. I tried once but ima try more. Miss u sexy. €G4L 🙌👍

“ Hey Era got to stop in to say hey, Its Jo 9th month since she been gone and I wanted to talk to her. I miss you Era, Kyrie is getting so big, I know you know that because you are watching over him, I cry Era when I take care of him, feeling guilty because I am able to and you were only given 2 weeks and 4 days with him. I hope we can raise exactly how you would want us too. I love you. I told Jo to give you a kiss and hug for me and you do the same to her.

*Today is one month since you went home to be with the Lord. Ericka I know you wasn't ready, but God had better plans for you. Its hard these days, seeing your beautiful son everyday and caring for him is bitter sweet. I feel guilty that I am able to assist raising him and you weren't given the chance. The 2 weeks and 4 days you had with him, you taught him a lot. He loves to snuggle under the neck, which I watched you do with him. He acts just like you, he get it from his momma. Kyrie will know his mom!!! I Love you Era and I Miss you. Give Jo many hugs and kisses for me, I hope I am making both of you proud,*

We didn't know this would happen, but I guess somewhere someone knew. I got Kyrie like he was mines, and HE will know who his mother was. He is just like you, thank you for him, watch over him.
