“ *To Mama's Family& Friends:
Now that she's no longer here and her
physical presences is no-where near. Don't
live your life in deep sorrow - ask God for
strength and encouragement to help each
one face the challenges of tomorrow.*

*She lived a fruitful & contented life. She travelled life's course and
finished a great life's race. Grieve for her but not wild tears; your
pain will pass and lessen over time. She is in a better place now. No
more suffering and no more pain. She made it home now resting in
peace.*

“ *Although it hurts saying farewell, goodbye or see you later. I know
that there's no more pain and the Lord has given your body rest. I
will miss you Mama and I thank God for allowing us to have you for
84 years. You taught well and live good. Rest In eternal Peace*
