“ *9/22/2018 I remember seeing Hollywood play downtown Brooklyn on this day; he was trying to stop me I think it was about his CD's not sure. But if I could go BACK to that day I would've stop and spoke to him. GOD is love and all I want to share is love. I would've even brought a CD to show support. I Pray for healing over your loves ones and protection over your mother, your kids, your true friends and baby mothers and Fiance. and over your soul Frank.*
