“ I pray God gives you all strength not only today but the days ahead to make it through this difficult time.
I've known Gloria since I was a young child.
Gloria has always been a sweet nurturing protective person. She showed it daily in the way she took care of her son.
I remember the time she confronted a girl who was older than me who had been bothering me and even though Gloria was going back to New York I had no more problems with the girl. I remember visiting NY as a child and Gloria was attending I think it was a College there and I would look forward to her coming home.
I will always remember and love Gloria and her sweet sweet spirit.

“ I remember meeting her as an adult when I went to visit in 2005,
and the love that she was showing taking care of her son let me
know that she was a loving and giving person. It felt really good to
meet one of my older cousins. That was a blessing that I will always
cherish.

“ I’m truly sorry to hear about Gloria passing away. I can remember the first and only time I met her. Gloria had such a kind humbling and nurturing spirit. This reminds me of Jesus and how he loves us and how he wants us to love and nurture each other. Keith, Renee and Aldric your Mom will be missed. But because of her humbling and nurturing spirit rest assured that she is at peace with our Father. I’m praying for God to bring peace and strength to her children, grandchildren , brothers and family. Love you all.

Sincerely your cousin
