“ *R.I.P Wally. We love you and miss you very much. I have so many great memories of you when I was little. You were a man of few words but your laugh and smile were so infectious. I loved watching tv with you or listening to music with you as you relaxed in your famous chair and always made jokes to make me laugh. And til this day everytime I smell a cigar I think of you and your smile ❤️. So grateful for those memories and many more and most importantly how you took care of my sister and Grandma. Love you forever.*
