“ *This is not so much a memory but, a reflection of the person I knew. There are so many things one can say about Hammy, what stands out to me most is his heart. He is uplifting, extremely thoughtful, and he has a smile that lights up the dimmest of rooms. I'm referring to Hammy in the present, because when you're blessed with a person like him there is no such thing as a loss. Spirits like his never die, they stay etched in our hearts and our minds. SIP King it's a blessing to know you, until we meet again.*

“ *I had the honor and privilege of working with Hammed at Crate & Barrel Madison Avenue. There aren't enough words to describe what a beautiful soul he was. Always making cupcakes for peoples birthday or an event in the store or a baby shower. His smile was so big. His heart even bigger. I will miss him and will forever kept him in my heart. Love you Hammed. Your friend, Kathlee*

“ *Hammy was such a beautiful soul, even though we didn't get to see each other that much, everytime we would catch up on the phone or see each other randomly, it was always a pleasure . I'm really going to miss him .. he gave me the nickname Steppy. Cause he was like a step-dad to me .and I will always have so much love in my heart for him.*
