“ To my family,

It is with an extremely heavy heart that has gathered so many of us today in spirit and in-person as we collectively mourn the loss of our of the patriarchs of our family, my dear Uncle Harold.

To my Aunt Martha, and cousins Stevie and Mark, my family's hearts hurt with yours today and we are praying for your strength and peace during this grave occasion.

Uncle Harold was and will forever be one of our original pillars in our family and his legacy and memory will live on and be celebrated for many years to come.

To my grandfather, Edward Barbour, I can't imagine what you must be feeling, but I do know that despite all of the difficulties you've overcome in life that you are more than strong enough to weather this storm like so many others before it. Grandma Helen and the rest of the family will be your rock whenever you need us and we love you.

*God bless you all,
Tameek, Grace, Giovanni and Gian Valentine*

“ Dear Cousins; Martha, Steve, Mark,
Sending our deepest condolences. Although we could not be there physically, know that we are with you in spirit. We will always have fond memories of Harold, who was always very kind to us.

It is not easy to find the words to express how we feel. Just know that the will of God does not lead you where the grace of God will not protect you,
