“ *The memories i shared with my Father were one in a million. he was always there for us when we need him even in his weakest moments. he will always put his needs before anyone else.he never told us he couldn't, he always tried to get me what i need even if it means sacrificing the things he need for us. Dad you may be gone but you will always live on in our hearts. love your wife Jas and your two sons Rayan and Ravie.*
