

Ms. Irish Garner

August 27, 1916 - July 18, 2016

IRISH PEARL GARNER was born in Skippers, Virginia on August 27, 1916. She was preceded in death by her husband Genius Garner and her four children Helen, Thomas, Luellen and Dorothy. On July 18, 2016 the Lord called her home ironically on the same day in 2002 that her husband passed. They were married for over 60 years before he passed. They raised four children in Brooklyn, New York originally in Bedford Stuyvesant and residing in East Flatbush on 96th Street where she lived until her final day on this earth. She leaves behind her 7 grandchildren: Michelle, Stephen, Michael, Derrick, Gerald, Jeffrey and Jennifer. Her great grandchildren: Michael, Jeffrey, Derrick, Semaj, Jordan, Skylar, James and Stephanie. She even had a few great~great grandchildren too. She lived a long life and loved her family unconditionally. We are sad to lose her but glad she will be joining the greater force of our family. Her husband, children and her siblings. She also leaves to celebrate her life a host of family and friends.

I remember her stories of her going to church in the horse and carriage. The red school house was a favorite story her daughter Dorothy told. We remember the BBQ's and the many family holidays at 483. We loved her dearly. Grandma Irish raised many children in addition to her own, she worked for many years as a domestic and never complained adding children to the

family. We are losing a one of a kind lady, they don't make them like that anymore. She was stylish and classy, she was everybody's "Grandma"!

Love you Grandma....See you on the other side.
