“ Rest in peace Mom.

-The one who always reminded me I was enough, when others told me what I wasn't.

-The one who was always my safe space.

-The one who always made sure I was ok.

-The one who raised me to be self efficient so I can pour into others.

-The one who always told me that I can be more than some kid from hood.

Thank you for raising me and my 3 other siblings. You lived a great life and touched so many people. I never thought I would live a life without you.

Thank you for bringing me into this world. Thank you for everything. I will always love you Mom.

-Your baby Kae Kae

“ Janie, I am going to truly miss you. I remember all the days you would tell me how crazy I was. Come to find out, I just had a happy, crazy way of looking at life. Kind of the way you did. You always were so full of life, laughter, and seriousness. Rest easy, Janie, you will always have a place in my heart. LISA
