

Joan M Betton

May 2, 1955 - August 20, 2017

Joan Millicent was born on Monday evening on May 2, 1955 in the parish of Manchester, Jamaica, West Indies to parents Leonardo and Iris Betton. She grew up and was deeply loved by her many siblings. Her nickname since childhood was June.

Joan attended Mount St. Joseph Academy and later migrated to the USA in the early 1970s where she furthered her education in the social arts. Later, she excelled at architecture, building design, construction and decorating. Anyone who know Joan knows a few of her favorite sayings were, “You can take down this wall” or “ For this place to look better, let’s move this wall over here and build something else here” and “ Let’s enlarge this room”.

She spent many days and nights at Home Depot, where she was well known for selecting and purchasing top of the line unique and exquisite items for her many projects.

Her strength was like that of a leopard and she liked leopard printed items. Today her children and grandchildren are wearing leopard symbols in her honor.

Joan was very sophisticated and liked fine things, jewelry, clothing, and getting pedicures. She was also very passionate about flowers and her garden.

Joan is the mother of four beautiful children, Andrew George Page and Shawn Anthony, Shanelle Nathalia, Laura Melissa. Her grandchildren include Evelyn, Kaitlyn, Isabella Blue, Maya, and Amani.

Joan or Ms. Joan as she was lovingly called in her neighborhood, made a lasting impression on everyone she met. She showed selflessness as she was always willing to give a helping hand. Her kindness to others was exemplary. She was approachable and listened unhurriedly. She will be remembered as a great role model to members of her community. Joan will be truly missed by all.

She leaves behind her children, grandchildren, mother, brothers and sisters, and a host of nieces, nephews, and great nieces and nephews and many friends.

We are comforted to know that Joan's greatest asset was her belief in Jehovah God and her strong faith.
