“ My family had the pleasure of having Jose become a part of our lives back in 1970. The Rodriguez family moved in across the street from us. Our families became very close. I was 11 years old when we met. He was a second father to me. During one of the most important days of my life, he was there for me to support me as a father would support a daughter. I will always hold that close in my heart. I named my first born with him in mind. My family loved him and will always hold all the memories close in our hearts. Love you Jose, you will be missed.

“ I must have been about 8 years old when Joe came into my life. He was one of my father's best friends. They met in church and bonded because of the Cursillo group. Their favorite past time was playing dominoes in our kitchen every weekend. But they would sometimes just sit in the yard and have deep and long conversations about their upbringing, faith and life. He was like an uncle to me. When daddy had his heart attack in church many years ago (I was 17), he was the one who came to pick me up from the house to make sure I was okay. He reassured me that daddy was going to be okay, then he drove me to the hospital to be with my Mom. He stayed in the ER waiting room with us for hours, looking after me and my mom. I will forever be grateful to him for thinking of me in that scary and traumatic moment.

Joe, I hope you are at peace and reunited with your loved ones and best friends. Fly high my angel🕊️. May you rest in Gods eternal peace. I love you ❤️.

“ *My beloved father has departed. Words cannot express the pain my broken heart is feeling. We are all feeling.*

*Dad you were such a good man. You were dealt a very difficult hand as a child, yet you built a family and provided us with so much love and care. For that I thank you. Thank you for being my father, thank you for loving me, thank you for loving my children, for being a tremendous grandfather, for being the comedian you were. I can keep going on. I love you always dad. As you are ready to go see abuelita, tell her to make the chicken soup real good with a side of surillitos. Look forward to sharing that meal with you one day. 🙏💔*

*Love you always your daughter, Titi Jerry*
