“ In memory of my dear Nana: From the moment I learned of your departure, I was thinking about how to start this tribute to a person like you. A great human being who gave herself entirely to others, for you we are all your family. I remember very well, when I told you that my sister Mayra was pregnant and since we had only recently arrived in NY, we needed guidance; The help and guidance you provided us was so much that you became godmother to that beautiful girl we called Violeta, and the rest is history.

You left this temporary earthly life just minutes after finishing Praying the Rosary of Mercy. Another sign that you are close to Jesus forever. There is a song that you always performed with great passion, and it is with the words of that song that I am going to remind you:

“Jerusalem, how beautiful you are, streets of gold, sea of glass, through those streets I am going to walk, streets of gold, sea of glass. In heaven everyone sings Hallelujah, I'm going to sing too.” Your family will live with that great legacy and example of faith and dedication that you taught them. I know that it will be difficult to live without your physical presence, but I am sure of one thing, and that from heaven you will continue to intercede for each one of them, especially for that great husband who carried the sacrament of marriage with such a great honor and that promise you made “In good times, in bad, in health and in sickness.”

We are sad with your departure, Jesus taught us that we are human, and although he knew that death was not the end, he cried when he was told that his friend Lazarus had died. Faith in God teaches us that we are here temporarily, and that we must fight to earn the paradise of heaven. I hope to meet you again my dear Nana forever.

I know by faith that you must be reunited with our creator. Thanks for everything.

Your friend and sister in Christ, Nelsi

“ En memoria de mi querida Josefa Abreu (Nana): 30 de marzo 1952  
– 23 de enero 2024

*Desde el momento que supe de tu partida, estaba pensando como empezar este homenaje a una persona como tú. Un gran ser humano que se entregaba por entero a los demás, para ti todos somos tu familia. Recuerdo como hoy, cuando te comuniqué que mi hermana Mayra estaba embarazada y como teníamos poco tiempo de haber llegado a NY, necesitábamos orientación; fue tanta la ayuda y orientación que nos proporcionaste que te convertiste en madrina de esa hermosa niña que llamamos Violeta, y lo demás es historia.*

*Te fuiste de esta vida temporal y terrenal a solo minutos de haber terminado de Rezar el Rosario de la Misericordia. Otra señal más de que estás cerca de Jesús para siempre. Hay una canción que siempre interpretabas con mucha pasión, y es con palabras de esa canción que quiero recordarte:*

*“Jerusalén, que bonita eres, calles de oro, mar de cristal, por esas calles yo voy a caminar, calles de oro mar de cristal. En el cielo todos cantan Aleluya, yo también voy a cantar” .*

*El cielo gana también una gran cantante.*

*Tu familia vivirá con ese gran legado y ejemplo de fe y entrega que les enseñaste. Se que va a ser difícil vivir sin tu presencia física, pero de algo estoy segura y es que desde el cielo vas a seguir intercediendo por cada uno de ellos, sobre todo por ese gran esposo (José Rafael) que llevó con tan gran honor y amor el sacramento del matrimonio y esa promesa que hicieron ante Dios y los hombres: “En las buenas, en las malas, en la salud y en la enfermedad”.*

*Estamos tristes, somos vulnerables y hasta Jesús, aun sabiendo que la muerte no es el final, el lloró cuando le dijeron que su amigo Lázaro había fallecido. Estamos aquí temporalmente, y debemos luchar para ganar el paraíso del cielo. Espero volvernos a reunir para siempre mi querida Nana.*

*En Paz Descansas. Tu amiga y hermana en Cristo, Nelsi*
