

Mr. Kenneth Powell

September 24, 1934 - June 22, 2017

OBITUARY

Kenneth Powell was born in Church Valley, Clarendon, Jamaica on September 24, 1934. He was the third of nine children born to the union of Lillian and Edwin Powell. He attended Mount Airy Primary School. After leaving school, he worked for the Lewin family in their dairy production unit. Later, he worked with the Public Works Department of the Jamaican government as a Grader Operator for over thirty-five years. Mr. Powell married Joyce Fraser in March of 1984 and later moved to New York to join her.

Kenneth was employed by Downstate Medical Center until he retired. During his years of retirement, he enjoyed traveling and visited England and Jamaica where he enjoyed the company of relatives and friends. He had plans to extend his travel experience to include Scotland among others. However, he suffered a stroke and could not travel anymore.

In later years, his health deteriorated when he experienced a second stroke. This forced the family to commit him for professional care at the Bushwick Center, where he eventually passed away on June 22, 2017. Kenneth was a kind, considerate, observant and an easy going person with a heightened sense of humor.

He leaves behind wife Joyce, daughter Vivienne [Pam], son Horace[Charlie], grandchildren and great-grandchildren as well as two sisters: Vinette and Dorothy, four brothers: James, Donald, Timothy and Audley, nieces, nephews and other relatives and friends. We all miss you, KENNETH, BROTHER KEN, UNCLE KEN, SAWPO.
MAY HIS SOUL REST IN PEACE.
