“ 🐶 Anybody who knew were my BF and we crashed and burned together knew us. I would follow you to the moon and back!! CI all day to the streets of Live Me Loyal Over Royalty!! We had so many life experiences off that frfr watching each other growing into mature constituents and 25/8 confidants. That's where we loved each other. Never the other love, but a bond that could never be broken not here or in Paradise for I'll see you soon and we will dance Golden Streets together. Please continue to watch over the kids. To Zaire please continue to be the man your dad was building you to be. A great Brother and a wonderful uncle. Hold your grandma and Auntie with the tightest hugs. My saddest deepest condolences for us all #5everMillz 👑 🐶 I love you 🙏💜

“ I recall meeting you 35 years ago when you were seven years old, and your grandmother requested we host a party for Lameek, which we did. His spirit will live on, remembered for his humble heart and bright smile. May Allah watch over his family, children, and grandchildren.

“ My beloved brother, Lameek Jackson a soul whose presence lit up every room and whose heart was as big as his smile. Lameek was more than just a brother to me he was a constant source of strength, laughter, and unconditional love. His kindness touched everyone who knew him, and his spirit lives on in the countless memories we shared. Though he is no longer with us in body, his legacy remains in every life he impacted and in the love that will never fade. Rest peacefully, my brother.. I will forever miss you Lah. Your memory will always be cherished.

Love your sister Dicky💚

“ To know Lameek Jackson was to love him. His family and friends remember him as a source of strength, joy, and unwavering love. He was the one who could make you laugh in the toughest moments, offer words of wisdom when you needed them most, and stand by your side without hesitation.

*His children remember his deep love and devotion, his siblings recall a brother who was both protector and friend, and his friends speak of a man whose loyalty and laughter made life a little brighter. Each story shared is a reflection of the impact he made—whether big or small—and the special place he holds in our hearts.*

*Though he is no longer with us in the physical, Lameek’s spirit lives on in every cherished memory, every smile he inspired, and every life he touched.*

*Forever in our hearts
