“ Leo Karl is my hero when I was a kid growing up he was the one who gave me smart advice even if it was in a rude way I would love it he was the pastor for the overcoming love ministries in Rockaway boulevard in Queens New York and even though he's gone we love him he died when I was 10 years old but we still love him in heaven even though I'm 11 years old now in 2019 my birthday is in December 15th and he would always celebrated with me we love you pastor Leo.

“ From the very first night he met me, he accepted me with love, kindness and wine. We were celebrating gages 20th birthday and to everyones surprise, my birthday from the previous day. This wasnt just dinner and drinks but a beautiful evening between family and blessed friends. This was 14 years ago and i can still remember Leo serving me my food making sure i had a taste of EVERYTHING. He was a man who could make his mark on my mind, soul, and heart. Rest Well Leo and watch over and help guide your family during this time of grief. Love you pa.
