Some time, much you time die, an heart an it time you, with
such time you time of me I know you'll miss me too. But
when someone starts without me, please try to understand,
I'll be right there and smiling my name and hope me for the
best, and send my love with me to heaven for above,
and that I'd love to have behind all these I really love. So
when someone starts without me, don't think me for
leave, but every time you think of me, I'll right here in your
heart.

“ Sending my sincerest condolences to all of those she touched. She was a friend whom I met during my many years at Chase in the Broker Dealer Department. She always had that big grinning smile. Sleep peacefully my dear.

“ Dear Brother Kenny,
The passing of a child is one of the most difficult things to accept as a parent, and as a Father the passing of a Daughter particularly tears at our Heart.
From the moment she called you "Daddy" for the first time and you gazed into her eyes, a lifelong bond was cemented.
The bond between Father's and Daughters is eternal no matter where life takes us, and having suffered the loss of my Daughter, I know how painful this moment in time is for you, and your Family.
So please accept my deepest Condolences My Brother, and cherish those memories that only a Dad and his baby girl have shared.
Sincerely,
Elbert Washington
