“ *My name is Ralphie. I worked with Lois for many years at SCO Services. When I started at SCO Services. I was just a caseworker, but through the years, I got to work closely with Lois. She was one of the many people that encouraged me to get my Masters Degree. So, I did. And just like Lois, I eventually became a supervisor. And when I did, it was a very new and scary experience, as I had never been a supervisor before. Lois was one of the folks that "took me under her wing" and "showed me the ropes." Now, let me say this, Lois didn't just mingle with everyone or was accepting of just anyone. However, if you was blessed and honored enough and to find yourself in Lois' good graces, one will easily find out that she was such a wonderful person. She was a party in body (LoL!) and she is going to be so missed. -- Love, Ralphie.*
