“ You are the reason why I have a ill brother and sister. Our best memory with u was when we first got to the states and u took us shopping, u treated us like we were your own, patiently waiting for our girls to come. Always there for the family no matter how you were feeling. we lost a great one but I know God make no mistakes. We will miss you dearly.

“ That one person to remind me of me granma...
That one one person to be so strong in her last weakness...
I will keep this word she always say to me; life is to short to hold grudge or to be selfish
I found a place for her, it's deep inside of my heart.

“ *Tati was always there when you needed her. Tati was sick for my 25th birthday and she still cooked and came to celebrate with me. She was really special to us. We lost but heaven has gained.* ”
