“ *Se que están pasando por un momento muy difícil porque yo también he perdido a seres queridos en la muerte pero algo que me ayudó a sobrellevar la pena fueron las palabras que aparecen en la Biblia en Juan 5:28, 29 ahí dice: No se maravillen de esto, porque viene la hora en que todos los que están en las tumbas conmemorativas oirán su voz y saldrán. Aquí se nos da la esperanza de que es posible volver a ver a nuestros seres queridos que han muerto. Mis más sinceras condolencias espero que este texto les sirva de consuelo.*

“ Words can't describe the hurt and pain I am going thru.
It's almost as if I'm in a nightmare which I haven't woken up .
I am going to miss you profusely.
It's unimaginable.
Who am I going to call now just to talk??
Who's going to call me Big Min??
Titi you was my closest aunt .
You was the one I spoke to regularly .
All I want is to hear you call my name again .
I don't want to imagine a life without you.
There is still alot of big events in my life that I planned you being by
my side.
My heart and soul is in pieces.
I'm so sorry that I didn't express how much you meant to me.
I'm so sorry that I didn't express how much I needed you by my
side.
Please tell Wela I said bendicion and tell her that we are missing
her dearly
Tell Titi Elba that she has never left our hearts.
Tell Viejito and Nesto that they live thru our memories and last but
not least please tell my man Ray that his laughter, personality and
presence is missed incredibly .
Titi Mabel I love you more than mere words can express
Please keep us safe down here and we will always have you in our
hearts and memories
