“ *To the Perkins family, so sorry I will not be there to share the loving memories with you but please know that you are all in my heart. Coot helped me care for Perk(James) until we relocated to North Carolina in 2008. I appreciated and cherished every moment that the three of us shared together. The laughs, jokes and sharing stories were life changing for all of us. Thanks to Mattie Jackson for recommending Coot to come into our home and give of herself as she gladly did. She loved her brother and Perk loved her. Coot and a good friend Freida Raspberry, gave me peace of mind to go to work and prepare for retirement. We took a chance on Coot and I would do it all over again without hesitation. So, rest in peace my dear friend and say hello and hug my beloved Perk, you two are together again.*
