“ *Dear Family and Friends of Margene,
We met at a Johnny Mathis concert and immediately liked each other and became fast friends. Both of us had been fans of Johnny's music for many years. I became a member of the Celebration of Friends like Margene, and we like the other members attended as many concerts as we could. Diane teamed with Margene and I, and we met frequently in Atlanta City to go to Mathis concerts and enjoy our friendship. In recent years, we did not see each other often but we communicated by telephone. When I took my granddaughter to New York City for a vacation in 2016, Margene brought her granddaughter or great granddaughter over to the hotel and we went to a wonderful seafood restaurant, Bubba Gump, in Times Square. We had a great time with our "grands" and enjoyed the food and the conversation with the little ones. I have posted our picture with the Memories Album on this tribute wall. Margene was one of the nicest people I have ever known. She was so soft spoken and loved to laugh. I never heard her raise her voice in anger or animosity toward anyone. I never knew when she did not feel well because she was not a complainer. I loved her and I will miss her. May your loving memories of Margene comfort and sustain you in the days ahead at this difficult time. My deepest sympathy is extended to your family. We loved her, but God loved her best. May Margene rest in peace.*
