“ It's been 1 year and 6 months since your passing. I think of you every single day. I wish I had more time with you. You were so youthful and full of life. We miss your presence at every event. I can hear your voice when something big happens. I pray to God that you are happy and at peace. I still have not dreamt about you. I can't wait to you appear and tell me all about how you are doing. I hope we are making you proud. I love you with every fiber in my being. 2/22/26

OH

She was an amazing coworker and friend; so much fun to hangout with. We had worked at Foxwoods; but not in close proximity; until we worked at Walmart together. She was so youthful, knowledgeable about a little of everything. I'm, about, a decade or so younger than her. So, she was like the cooler big sister. Rest, Now, In Comfort And Peace..... You've Earned Your Wings....
